Eastham Cottage. Two kitchens for the price of one.

Cottage, a new concept in flat-pack kitchens, has reversible panels which enable you to change the look of your kitchen in minutes.

And as far as quality is concerned, you won't find better value for money anywhere.

Solid oak door frames and drawer fronts, attractive brassed handles, and a selection of distinctive wall units, colours and textures all contribute to its traditional look.

Call in at your local kitchen furniture stockist or write to us at the address below for further information on Eastham kitchens.
